THE COLLEGE CARES

LGBTQ QUILT PROJECT

DID YOU KNOW...

The LGBTQ community is at 4x the risk for suicide?

Social stigma, discrimination, unsafe schools and ineffective providers all contribute to this risk. This should not be.

Stop by Cougar Mall October 2, 5, 9 & 12 between 11 am and 2 pm to show your support for the College's LGBTQ students, faculty and staff by designing a panel for the "2017 LGBTQ Quilt Project".

The finished quilt will hang in the rotunda of Addlestone Library!
